Kane County Lee Director Bud Greenberg

Night Out at Henry's Bakery & Deli

Kane County Board Chairman Karen Darnell and Lt. Brandon Reid at Henry's Bakery and Deli on Roosevelt Blvd. volunteered on Tuesday, March 22. About a dozen residents turned out to meet and greet their commissioners. Commissioners Darnell and Reid, however, are going to present concerns about the condition of their road. They presented the commissioners in person their claim that large trucks are tearing up the roads and the county is not living up to its promises to repair the roads.
