OF KNOXVILLE

Walker and Frog

By the Editor

Walker and Frog are the new faces of the Knoxville News-Sentinel. Walker is the man in the suit, and Frog is the green frog mascot. They are both smiling and looking at the camera. Walker is standing to the left of Frog, and Frog is standing to the right of Walker. They are both standing in front of a building with a large doorway. The building has a sign that says "OF KNOXVILLE".
