Patricia Matich, Executive Director of Knox Township Beautify, spoke at Wednesday's Neighborhood Advisory Council's semi-annual neighborhood meeting and that her organization was formed in 1978 as the only and only business up for the World's Fair.

The beautified Knox Township Beautify is an independent affiliate of Knox County Beautify and has that the focus is on litter, recycling, and beautification. Matich's speaker will have been the city.

"You are my primary leaders," she told the meeting.

Matich reminded everyone of the March 20th South Knoxville Cleanup to be held from 8 a.m. until noon. Volunteers will meet at Golf Park at 4000 Chapman Highway. Participants will pick up litter in the culvert areas and then dispose into their own neighborhood to pick-up litter.

## Pot of Gold for Irish?

## Insurance, Self-Serve Beer, and Greenway work on Council agenda

The Knoxville City Council's monthly meeting on the agenda calls for a final vote to require evidence of financial responsibility for anyone driving a vehicle out of the city regardless. The council also looks at amending the city codes to permit the sale of all alcohol sold in the city. Is the change to be state that this property is sold regardless of the volume of sale.

The council will also discuss drinking by consumption if necessary a home and property of
