## City's Parking Ordinance Repealed

**By [Name]**  
The City of Knoxville has repealed its parking ordinance, which had been in effect since 1997. The ordinance, which was part of the city's comprehensive parking study, was found to be outdated and inconsistent with current city goals. The repeal allows the city to update its parking regulations as needed.

The repeal of the ordinance is a significant step in the city's effort to improve its parking infrastructure. The city is currently conducting a comprehensive parking study to assess the needs of the community and develop a long-term parking strategy. The repeal of the ordinance will allow the city to implement more effective parking policies in the future.

The city council voted to repeal the ordinance on [Date]. The repeal was a unanimous decision, reflecting the city's commitment to addressing its parking challenges. The city is currently reviewing the ordinance and will be implementing new parking regulations in the near future.
