

Boat rental vendor at The Cove being audited

Boat rental vendor at The Cove is being audited by the city of Knoxville. The audit is part of a larger effort to ensure that all vendors are following the city's procurement policies. The vendor, which is a local business, has been found to have some discrepancies in its records. The city is working with the vendor to resolve these issues and ensure that all transactions are properly documented.

Two men are seen at an outdoor classroom event. One man is holding a map and the other is speaking into a microphone.

Three Schools Present Dance and Arts Showcase

Three schools in Knoxville are presenting a dance and arts showcase. The event will feature performances from students at three different schools, showcasing their talents in dance, music, and visual arts. The showcase is a great opportunity for the community to see the progress of these young artists and enjoy a night of entertainment.

Halls marks milestone for outdoor classroom

Halls is marking a significant milestone for its outdoor classroom. The facility, which has been a part of the school's curriculum for some time, is now being expanded to provide even more space for students to learn and explore nature. This new addition will allow students to engage in hands-on learning experiences that are both educational and fun.

Plans announced for youth facility in Lonsdale

Plans for a new youth facility in Lonsdale have been announced. The facility is designed to provide a safe and fun environment for young people to spend their free time. It will include a variety of recreational activities, such as sports, arts, and music. The facility is expected to be completed in the near future and will be a great asset to the community.

The new youth facility in Lonsdale is a multi-story building with a prominent red roof. It features large windows and a modern design. The facility is located in a central area of the town, making it easily accessible for young people. The plans for the facility are well advanced, and construction is expected to begin soon.

County seeking state funds for litter control

The county is seeking state funds to help with litter control efforts. Litter is a major problem in the county, and it is causing significant damage to the environment and public health. The county is requesting state funding to support a comprehensive litter control program, which will include increased enforcement, public education, and cleanup efforts.
