## Dr. Tom Kim hosting 9th Annual Charity Golf Tournament

Tourney proceeds to benefit  
 The Free Medical Clinic of America

Dr. Tom Kim is hosting the 9th Annual Charity Golf Tournament on Saturday, Sept. 17, at the Knoxville Country Club. The tournament is a benefit for The Free Medical Clinic of America, a non-profit organization that provides free medical services to the underserved in the United States.

The Free Medical Clinic of America is a non-profit organization that provides free medical services to the underserved in the United States. The clinic has a long history of providing care to those in need, and the proceeds from the tournament will help support its ongoing efforts.

The tournament is open to all golfers, and the proceeds will be used to support the clinic's operations. Dr. Kim is a dedicated physician and a strong supporter of the clinic, and his leadership is instrumental in the success of the tournament.

For more information about the tournament, please contact Dr. Tom Kim at (423) 253-1111. The clinic's website is www.freeclinic.org.

## Ambulance service contract renewed in split vote

The City of Knoxville has renewed its contract with the City of Knoxville Ambulance Service (CKAS) for another year. The contract was renewed in a split vote by the City Council, with a majority of council members supporting the renewal. The contract covers the provision of ambulance services to the city's residents and is a critical part of the city's emergency response system.

## Ground broken for new Morning Pointe Assisted Living

Ground was broken for the new Morning Pointe Assisted Living facility in Knoxville, Tenn. The facility is expected to be completed in the near future and will provide high-quality care for residents.

The new Morning Pointe Assisted Living facility is a significant development for the city, providing a new option for residents who need assisted living care. The facility is designed to provide a comfortable and safe environment for residents, with a focus on quality care and personalized services.

The facility is located in a prime location and is expected to attract a diverse range of residents. The project is a testament to the city's commitment to providing high-quality care for its residents and to supporting the growth of the assisted living industry.

The new Morning Pointe Assisted Living facility is a modern and comfortable environment for residents, featuring a large entrance and landscaped grounds.

The facility is expected to be completed in the near future and will provide high-quality care for residents. The project is a testament to the city's commitment to providing high-quality care for its residents and to supporting the growth of the assisted living industry.

The facility is designed to provide a comfortable and safe environment for residents, with a focus on quality care and personalized services.
