Ground broken for new Morning Pointe Assisted Living

Ground breaking ceremony for new Morning Pointe Assisted Living.

Morning Pointe Assisted Living is pleased to announce the upcoming opening of a new assisted living facility in the heart of the community. The new facility will provide a high-quality, affordable living environment for residents. The facility will include a variety of amenities, including a swimming pool, a fitness center, and a community room. The facility will also offer a variety of services, including meal service, transportation, and personal care. The facility will be open to the public in the near future.
