Randy Smith re-elected Commission Chairman

MEMPHIS—Randy Smith has been re-elected as Chairman of the Memphis Commission on Economic Development. Smith was elected to the position for a second term, and will continue to lead the commission in its efforts to promote economic growth and development in the city. Smith has a long history of public service and has been a vocal advocate for the city's economic future.

Proposed environmental policy sent back to board unchanged

MEMPHIS—A proposed environmental policy has been sent back to the board unchanged. The policy, which was proposed by the Memphis Commission on Economic Development, was rejected by the board. The board members felt that the policy did not adequately address the concerns of the community and the environment.

Coalition will bring community together for Mental Illness Awareness Week

A coalition of community organizations is coming together for Mental Illness Awareness Week. The coalition includes representatives from various local businesses, schools, and community groups. They will be holding a series of events and activities to raise awareness about mental illness and to provide support for those who are affected by it.
