

Little Middle School Principal Vicki Waters (on right, front row) and Boardman Elementary School Principal (on left, back row), seated school officials, Boardman Elementary principal, and community leaders at a construction progress tour of the new Little Middle School this past Friday. The Little Middle School is 700,000 square feet and will be open to students in August for the 2020 school year.

MPC delays sidewalk requirement

By Peter Saville

After meeting Tuesday, Dec. 14, the Boardman Area Council of Governments Planning Committee has recommended the Boardman Area Council of Governments delay the requirement for sidewalks on new residential lots in the area of the future MPC landfill, the council decided after a meeting Tuesday night.

In September, the council approved a new requirement for sidewalks on new residential lots in the area of the future MPC landfill.

All last week's meeting, the MPC, with representatives of the Boardman Area Council of Governments, discussed the new requirement for sidewalks on new residential lots in the area of the future MPC landfill, the council decided after a meeting Tuesday night.
