Tuesday's Knox County Primaries will determine the candidates for the August General Election. The Republican nominees for mayor could very well be the mayor of Knox County for the next four years.

Current County Commissioner of Large Bob Thomas believes he has the business experience and commitment to the community to successfully lead the county. He says his experience in operating a successful business, working within budgets and meeting payrolls has helped him develop skills needed to manage Knox County's \$100MM annual operating budget efficiently and effectively. He also pointed out that "working in the broadcasting industry for 20 years has added business management and communication skills that are essential to working with government agencies, regional offices and citizens."
