

Islands and Navy Differ on Taxes, Investigations

By [Name]

WASHINGTON, May 1 — The U.S. Navy and the U.S. Coast Guard are at odds over the future of the U.S. Virgin Islands, a U.S. territory in the Caribbean. The Navy wants to build a new naval base on the island of St. John, while the Coast Guard wants to build a new port on the island of St. Thomas. The two agencies are also at odds over the future of the U.S. Virgin Islands' tax system. The Navy wants to keep the current system, while the Coast Guard wants to change it.

The Navy and the Coast Guard are both part of the U.S. Department of Defense. The Navy is responsible for the U.S. Navy's fleet, while the Coast Guard is responsible for the U.S. Coast Guard's fleet. The two agencies are both part of the U.S. Department of Defense, but they have different missions. The Navy's mission is to protect the U.S. Navy's fleet, while the Coast Guard's mission is to protect the U.S. Coast Guard's fleet.

The U.S. Virgin Islands is a U.S. territory in the Caribbean. It is made up of 14 islands and cays. The U.S. Virgin Islands is a U.S. territory, which means that it is not a state. The U.S. Virgin Islands is a U.S. territory, which means that it is not a state. The U.S. Virgin Islands is a U.S. territory, which means that it is not a state.
