New members welcomed to Knox County School Board

By Anne Frisom

On Wednesday afternoon at a special called meeting, three newly-elected board members were welcomed to the Knox County School Board. Evert Satterfield is the new 1st District representative, Virginia Ball now represents the 4th District and Violet Krusty represents the 9th District.

All six of the other school board members were present. No elected officials attended the Wednesday afternoon meeting. Chairwoman Pat Bounds asked for a motion to approve the meeting's agenda and Representative Susan Horn proposed that motion which was seconded by Representative Terry Norman. The motion carried.

Next, there was a motion proposed by 3rd District Representative Norman to suspend Board Policy B-120. This would allow Chairwoman Bounds to be in charge of the September 5, 2018 meeting instead of making the newly elected Board Chair take over immediately with no preparation. This motion was seconded by 2nd District Representative Jennifer

Owen and the motion carried.

Reorganization of the board was the next item on the agenda. 6th District Representative Terry Hill was nominated for the new board chair by 9th District Representative Horn which was seconded by Bounds. Bounds was nominated for board chair by Norman which was seconded by Owen. The vote

was 6/0 in favor of Hill as chairwoman.

Hill nominated Horn for vice chairperson of the board. The nomination was seconded by 8th District Representative Mike McMillen. Owen proposed a motion that Horn be accepted as vice chairperson by acclamation and the motion carried.
