

Holzer's Tips for Holiday Success

With the holiday season just around the corner, it's time to start thinking about how to make the most of the season.

Here are some tips to help you get the most out of the season:

1. **Plan ahead.** Don't wait until the last minute to start planning. Make a list of things you want to do and when you want to do them. This will help you stay organized and make the most of your time.

2. **Set priorities.** Not everything is created equal. Decide what's most important to you and focus on those things first.

3. **Be flexible.** Things don't always go as planned. If you find yourself in a bind, don't panic. Just adjust your plans and keep moving forward.

4. **Take breaks.** Don't push yourself too hard. It's important to take time for yourself and your loved ones.

5. **Be generous.** The holiday season is a time to give. Whether it's through donations, volunteering, or simply spending time with loved ones, try to be as generous as you can.

6. **Enjoy the moment.** The holiday season is a time to celebrate and enjoy the time with your loved ones.

7. **Stay positive.** Even if things don't go perfectly, try to stay positive and focus on the good things that are happening.
