

School board examines a variety of items

By Susan Wilson

The Board of Education met Tuesday afternoon for its regular meeting. The board reviewed a variety of items, including a report on the school's financial health, a report on the school's academic performance, and a report on the school's extracurricular activities. The board also discussed the school's budget for the upcoming year and the school's plans for the future.

The board also discussed the school's plans for the future, including the school's plans for the upcoming year and the school's plans for the future.
