

Walter Maples reflects on 90 years

City may extend ban of electric scooters

By Mike Grady
grady@knoxnews.com

The Knoxville City Council is being asked by the City Law Department to extend a moratorium on electric scooter rentals downtown until a permanent ordinance has been developed. The first moratorium was passed in September and the law department wants another 90-day prohibition to study the issue and draft an ordinance that might permit the scooters.

The initial prohibition expired and the new 90-day moratorium would begin February 1 and extend until August 8.

A letter from the law department
