

School board approves 2020 budget

By Staff
 The Knoxville School Board has approved a 2020 budget that includes a 1.5 percent increase in property taxes. The board also approved a new funding model for the district's special education programs.

The board's decision comes after a series of public hearings and a review of various options. The new funding model is designed to ensure that special education students receive the services they need while also being cost-effective for the district.

Superintendent [Name] said the board's decision reflects the district's commitment to providing a high-quality education for all students. He noted that the budget also includes investments in technology and teacher training.
