

Photo courtesy of the City of New York. The image shows a person standing next to a large, dark, rectangular object, possibly a piece of equipment or a structure, in an outdoor setting.

The city of New York has a long history of providing services to its residents. The city's government has been responsible for many of the city's most important services, including education, health care, and public safety. The city's government has also been responsible for many of the city's most important infrastructure projects, including the construction of the city's first subway system and the city's first public housing program.
