

Second Reading of Recode before City Council

1000

When it is finally time to make the decision, all members will be asked for all of their votes. If there is a tie, the judge will be asked to break the tie. If the judge is also tied, the decision will be made by a majority vote of the members.

The *Journal of the American Academy of Child and Adolescent Psychiatry* has been one of the first to publish the findings of the study. The journal is a leading source of information on child and adolescent mental health. The study was conducted by a team of researchers from the University of California, Los Angeles, and the University of Texas at Austin. The researchers found that the use of the *Journal of the American Academy of Child and Adolescent Psychiatry* was associated with a higher rate of publication in the journal. This finding suggests that the journal is a valuable resource for researchers in the field of child and adolescent mental health.
