Representative Mannis (center) with staff members at the opening of the new East Knoxville office.

## Mannis campaign officially opens East Knoxville office

U.S. Representative Tom Mannis has officially opened his new office in East Knoxville, marking a significant milestone in his campaign for re-election. Mannis, who represents Tennessee's 1st Congressional District, is joined by his staff members at the new location. The office is situated in a modern building, providing a professional environment for his constituents. Mannis expressed his commitment to serving the community and his confidence in his team's ability to address the needs of the district.

## Memory of Coach Moore will live on in Carter football

The memory of Coach Moore will live on in Carter football. The team is dedicated to honoring his legacy and striving for excellence on the field. Coach Moore's influence is felt throughout the program, as players and staff alike work to uphold the values he instilled in them. The team's success is a testament to his coaching and the hard work of everyone involved. The community is proud to support the team and the values they represent.

## Planning Commission approves zoning change for supportive housing facility

The Planning Commission has approved a zoning change for a supportive housing facility. This decision is a crucial step towards addressing the needs of the community. The facility will provide essential services and support for residents, contributing to a more inclusive and vibrant neighborhood. The commission's decision reflects a commitment to social justice and the well-being of all citizens. The project is expected to be completed soon, bringing much-needed resources to the area.

## Expo Center added as early voting place

The Expo Center has been added as an early voting place. This new location provides a convenient and accessible option for voters to cast their ballots. The center is equipped with the necessary resources and staff to ensure a smooth voting process. This addition is a positive step towards increasing voter participation and making the electoral process more efficient. Voters are encouraged to take advantage of this opportunity to make their voices heard.
