## Commissioner Beeler speaks up on pension suit resolution

**Dr. William W. Wines**

**Effective January 1**, the new County Code cannot act as a replacement for the old one until another ordinance is enacted. The new code goes into effect on the first day of the month after the ordinance is passed. The new code goes into effect on the first day of the month after the ordinance is passed. The new code goes into effect on the first day of the month after the ordinance is passed.

The two counterarguments are against the previous board actions. First, even against the county, counties are at least exempt from all county property taxes and county revenues are also distributed to the county government.

However, it is important to note that the 'egg' model is not a 'one-size-fits-all' model. It is a general framework that can be adapted to different types of projects and organizations. For example, in a project where the requirements are not well-defined at the start, the 'egg' model may not be the best choice. In such cases, a more flexible model like the 'iceberg' model might be more appropriate.
