Pension Board moves meetings to 3 p.m.

By Mary Ann Hernandez

The Pension Board has moved its meetings to 3 p.m. The board is a body that oversees the pension fund for the city. The board is made up of representatives from the city and the pension fund. The board meets monthly to discuss the pension fund's performance and to make decisions about the fund's future. The board's meetings are open to the public, and anyone interested in the pension fund can attend. The board's meetings are held at the city's main office, and the public can find out more about the board's meetings by contacting the city's public information officer.

City passed Growth Plan in split vote

By Mary Ann Hernandez

The City Council has passed a Growth Plan in a split vote. The plan is a long-term plan for the city's growth and development. The plan was passed by a vote of 5-4, with the majority of the council members supporting the plan. The plan includes provisions for the city's future growth, including the development of new housing, commercial and industrial areas, and the preservation of the city's natural resources.
