

I spoke to Cheryl last week and she is interested in looking into the zoning on some of the City's park properties. They need review. Properties that need rezoning can be done through our current rezoning process and then converted as appropriate to the new zones. Other thoughts?

I check the proposed zoning and the existing zoning on our parks. It appears we may need to do some rezonings for several properties. Please take a look at the spreadsheet to give me your thoughts.

Thank you!
