Special Easter egg hunt in Norwood goes viral

Something special happened last week in the Norwood neighborhood. Resident Ashley Lyons was lamenting the lack of a group Easter Egg Hunt. She took to the Nextdoor website with a suggestion.

"I've been working in yard all year. Just came in catching up on news. Why would any church hold services, outdoor activities, or gatherings? Why would you risk your congregation safety? I just don't understand! You can have church at home!" she posted.

"Hi, Norwood, I was wondering if anyone would be interested in Posting an Egg in their window

for kids to hunt while walking or riding our neighborhood?" she asked.

"Next weekend is Easter Weekend and with everyone having to stay at home while staying safe I thought this would give parents and kids something to do. We have so many wonderful neighbors out walking their pets and with kids it would be fun," Lyons continued in the post she titled "Egg Hunt - Norwood with Social Distancing"

The idea caught on quickly and Lyons heard from Lou-Ann Rodgers, Bryan Thomas and Ronda Crawford of Cumberland Estates and Margie McKee of West Haven Village. Nancy Coven of

Alana Phillips of Norwood decorated her front window with Easter Egg pictures so children walking by can spot them. Many other residents did the same and the idea caught on.

"We're going to follow the law, we're the gatekeepers of democracy," said Chris Davis on Tuesday after he was selected to replace Cliff Rodgers as the executive director of Knox County Elections. Rodgers will retire effective May 30th.

The commission, meeting together in the small assembly room of the City-County Building, unanimously voted to hire Davis. He's been working as deputy director to Rodgers for 12 years and received his boss's hearty endorsement.

"He can do everything I can do and some things I cannot," Rodgers told the board. "The sometimes outspoken executive director told the board to 'replace me with Chris,' adding, 'I ain't about to change my mind.'"

The brief meeting was

Council postpones creation of Human Resources Department

Possibly the most controversial matter before the Knoxville City Council Tuesday was postponed early in the opening minutes of their Zoom regular meeting.

A caller, Phillip Reyes of Mountain Park Road, asked for the postponement until June. He said a "virtual meeting is not good for this." The council agreed and little discussion was held on the matter involving Mayor Indya Kincannon's request to amend the city code to create a Department of Human Resources within the executive branch.

Former Civil Service Board member Bill Pittman had warned the mayor and council in a letter that the creation of the new department "removes everything thing Civil Service does

and places it under the HR Department." He also said that the current Civil Service Board is missing a Knoxville Police Department representative.

He wrote that when his term ended on the board he expected his position to be filled but neither former Mayor Madeline Roger nor Mayor Kincannon has named a police department representative.

"The mayor is trying to create a HR department under her direction and remove responsibilities from Civil Service. He charged that the Mayor would have authority to reclassify any civil service employee into any job title without a civil service process."

"It leaves Civil Service doing nothing while still technically existing," he wrote, adding, "Every personnel decision will be at the will of the Mayor."
