

County health department staff are working to get the community's response to the COVID-19 outbreak.

County working solutions to overwhelming testing response

By [Name] [Date]

The county health department is working to manage the overwhelming response to COVID-19 testing. Staff are working to ensure that everyone who wants to get tested can do so safely and efficiently. The department is also working to provide information to the community about the testing process and the importance of wearing masks and social distancing.
