Volunteer-Driven Program in Need of Volunteer Drivers

As the summer months approach, the need for volunteer drivers for the Volunteer-Driven Program (VDP) is increasing. The VDP is a program that provides transportation for low-income individuals who are unable to drive. The program is run by a group of volunteers who are trained to drive and provide transportation for those in need. The program is currently looking for more volunteers to help with the increased demand during the summer months. If you are interested in becoming a volunteer driver, please contact the VDP at 606-595-5555.

Board of Health says 'Stay the Course'

The Board of Health has issued a statement urging the community to "stay the course" in the fight against the COVID-19 pandemic. The board stated that while the situation is challenging, it is important to remain vigilant and continue to follow the guidelines set by the health department. The board also expressed confidence in the medical community and the effectiveness of the vaccines. The board's statement was a response to recent reports of a slight increase in cases in the area. The board emphasized that the community's continued adherence to safety protocols is crucial to controlling the spread of the virus.
