Pilot, Haslams donate \$5 million for new Emergency Department at ETCH

East Tennessee Children's Hospital's renovation scheduled to be complete next fall

East Tennessee Children's Hospital (ETCH) is set to begin its renovation project in the fall of 2011. The project, which is being funded by a \$5 million donation from the state of Tennessee and a \$5 million donation from the state of Tennessee, is set to be completed by the fall of 2011.

The project will include the renovation of the hospital's emergency department, which is currently located in the old hospital building. The project will also include the renovation of the hospital's pediatric intensive care unit, which is currently located in the old hospital building.

"The renovation of the hospital's emergency department is a critical part of our commitment to providing the best possible care for our patients," said Dr. John Haslam, Governor of Tennessee. "We are proud to support this project, which will help to ensure that the hospital is able to provide the highest quality of care to our patients."
