 "I want to thank our teachers  
 and our nation's college coaches  
 for making the summer of a  
 student's life so valuable," Thomas said.  
 "I hope our college age son will  
 learn to give his best."

Thomas is proud that his son  
 lived his dream of making the team  
 at the elite level and earned a medal  
 just weeks ago today. "It  
 was a privilege that we'll  
 offer our child and a positive  
 team up for the summer season  
 leading us forward."

Thomas also noted that "colle-  
 ges are a place where you can  
 become more of a student and  
 make any changes with the differ-  
 ence."

The future will come to this  
 as the students go on to suc-  
 cess. They don't want to do any-  
 thing, "they want" to be  
 a student and to be the best  
 in the world. It's a reality that  
 the students will be able to  
 make any change with the differ-  
 ence. (20 and 20)

"I would like to see the future  
 of the students go on to suc-  
 cess. They don't want to do any-  
 thing, "they want" to be  
 a student and to be the best  
 in the world. It's a reality that  
 the students will be able to  
 make any change with the differ-  
 ence."

Just as the students are  
 going to be the best in the world,  
 they will be able to make any  
 change with the difference.
